Home / Wedding Cake Toppers / Toppers> Back to previous page tired of the same old fashion of cake topper? Can't find a bride and groom topper cake that has the exact representation of you and your husband? Many couples coping with very similar choices are choosing to choose monogrammed cake topper. This manner of cake topper is a wonderful choice as it still allows you to personalized your cake and choose from a variety of contemporary and trendy cake toppers. Metal singlegrams have been a favorite choice offered in many endings, letter layouts, and letters designs, this classic style allows for a wide assease of options. If you'd like to fill your top row completely with your monogram, you can choose to bring a three-letter monogram for your cake, or you may choose two basic designs with amperes signal or heart between your initials. This is a great option for couples where the bride retains her last name. Conventional metal design monograms are also a great choice if your cake is somewhat more elaborate. Using a very simple fashion monogram, you don't reduce the elegant performance of your baker. If you're interested in finding a show stopper, then maybe a crystal racing monogram is ideal for you. Crystal accents are a tremendous choice for bringing a bit of elegance to your cake. The same metal monograms are suitable for more elaborate cakes and a crystal is perfectly suited for a sleek, modern cake. If you are merely trying to find a sign of bling, you may opt to get a partially decorated monogram. This gives you something extra for your cake without breaking your budget or outse previewing

your cake. With flexibility Kind of cake topper, you may even choose to use acrylic monograms also acrylic-style cake toppers often arrive in square shape along with your shaving right into etched cubes. Or for extra color and layout, the acrylic cube offers you a plastic sticking back. It adds subtle details and colors to your cake top too. With all these options, this design is ideal for any cake design. With so many flexible options available, monogram cake tops may be the perfect race for almost any range of wedding cake styles. Whether slick and contemporary, gorgeous, or there's even a hint of a monogram color to fit your taste.
